Dear Mr Barak,

As you know, it is a long cherished wish of ours to honor you with the Steiger Award and so we take the liberty to try again. This year's gala event will take place in Dortmund, Germany, on **September 26th, 2015**.

We kindly ask you to check, if you would be in a position to receive the award. We have been admiring your work fort he german – israeli realtionship and your wise leadership for years and would be really happy if we could honor you in 2015. The prize was brought into being by private initiative and is based on the virtues of the "Steiger", meaning "overman".

It honours people who demonstrate straightforwardness, candour and tolerance in their deeds and thoughts, those who won't let themselves be deterred and who are ready to assume responsibility. The Steiger is more than just an award – it honours the values and philosophies of people who have distinguished themselves in the fields of music, sports, media, environment, film, the European community and humanitarian work.
